UPON: JAMAL E. WATSON

By affixing a true copy of the U.S. District Summons in a Civil Case with Complaint to the door of said premises which is the actual place of dwelling of said served with the state.

Deponent was unable, with due diligence, to find said served or a person of suitable age and discretion thereat.

Attempts to serve the defendant were made on the following:

I asked the person spoken to whether said served was in active military service of the United States or of the State of New York in any capacity whatsoever and received a negative response. Said served wore ordinary civilian clothing and no military uniform. The grounds of this belief and the source of my information in this regard are the observations and conversations accounted above. Hence, upon information and belief, I assert that the recipient is not in military service of the United States or of New York State as the term is defined in the state or in the Federal statutes.
